- d. Taxes on Association Property and any other applicable taxes other than Ad Valorem Real Estate Taxes assessed against individual Condominium Parcels; and
- e. Any other expenses incurred in the normal operation and maintenance of the Condominium which cannot be attributed to a particular Owner.

9.2. Assessments. The mailing and collection of assessments against each Owner for Common Expenses, for the costs or expenses for which an individual Owner may be solely responsible pursuant to the terms of the Condominium Documents, and for reserves as may from time to time be established by the Association, shall be pursuant to the Bylaws of the Association subject to the following provisions:

- a. Interest: Application of Payments. Assessments and installments on such assessments paid on or before five (5) days after the date when due shall not bear interest, but all sums not paid on or before five (5) days after the date when due shall

bear interest at the rate of 1.5% per month from the date when due until paid. A late charge equal to the greater of \$25.00 or 5% of the delinquent payment shall also be due on delinquent accounts. All payments on accounts shall be first applied to any interest that has accrued, then to any late charge, then to any costs and reasonable attorney fees incurred in collection, and then to the assessment payment first due. The board of directors shall have the discretion to increase or decrease the amount of late charge and/or interest rate within the limits imposed by law; provided, however, that such increase or decrease shall be made effective by amending the Condominium Rules and Regulations and notifying the Owners of same by regular mail addressed to each Owner at his last known address.

The Association shall have a lien against each Condominium Parcel for any unpaid assessments which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, which lien shall also secure any interest, and all reasonable attorneys' fees and costs incurred by the Association incident to the collection process, whether or not legal proceedings are initiated. The lien is effective from and after recording a claim of lien, executed and acknowledged by an officer or authorized agent of the Association, in the Office of the Judge of Probate of Lee County, Alabama, stating the legal description of the Condominium Parcel, the name of the Owner of record, the name and address of the Association, the amount claimed to be due and the due dates. The lien shall continue in effect until all sums secured by the lien shall have been fully paid or until such time as is otherwise permitted by law. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien, to be prepared by and recorded at such party's expense. All such liens shall be subordinate to any mortgage recorded prior to the date of recording the claim of lien, and all such liens may be foreclosed by suit brought in the name of the Association in the same manner as a foreclosure of a mortgage on real property. The Association may also sue to recover a money judgment for unpaid assessments without thereby waiving any claim of lien. In the event a Mortgagee shall obtain title to a Condominium Parcel as a result of the foreclosure of its mortgage, or in the event such Mortgagee shall obtain title to a Condominium Parcel as the result of a conveyance in lieu of foreclosure of its mortgage, such Mortgagee shall be liable for the unpaid Common Expenses and assessments that became due prior to the Mortgagee's acquisition of title, except to the extent that such liability is limited by Title 35, Chapter 8A, Ala. Code (1975). Nothing contained herein shall be construed as a modification of any rights or remedies of the Association pursuant to Title 35, Chapter 8A, Ala. Code (1975), except to the extent that the Condominium Documents allow additional remedies to those expressly set forth in said statute and to the extent that such additional remedies are permitted by said statute.

c. Personal Liability for Unpaid Assessments. Each Owner of a Unit is personally liable for all assessments made against the Unit pursuant to this Declaration and Title 35, Chapter 8A, Ala. Code (1975), and the Association may bring an action for a money judgment against a delinquent Owner to collect all sums due the Association, including interest, late charges, costs and reasonable attorney fees. In the event a Unit is

owned by more than one person or entity, such owners shall be jointly and severally liable for all assessments made against the Unit.

d. Payments of Assessments. No Owner may withhold payment of any regular assessment or special assessment or any portion thereof because of any dispute which may exist between that Owner and the Association, the directors of the Association or the Developer or among any of them but, rather, each Owner shall pay all assessments when due pending resolution of any dispute.

e. Notice of Delinquent Assessments. Any Mortgagee, upon written request to the Association (such request to state the name and address of such Mortgagee and the Unit number at issue), will be entitled to timely written notice of any delinquency in the payment of assessments or charges owned by an Owner of a Unit subject to the mortgage of such Mortgagee where such delinquency has continued for a period of sixty (60) days.

9.3. Common Surplus. Each Owner shall own a share of the Common Surplus attributable to each Unit owned in accordance with Section 7.1 above.

9.4. Refunds of Common Surplus. If the Association shall refund all or a portion of any Common Surplus to the Owners for any fiscal year in which the Developer paid any assessment, such refund shall be prorated as of the date of closing of any sale of a Unit upon which the sale was closed by the Developer during such year, and the prorated amount allocable to the period of time of the Developer's ownership shall be refunded directly to the Developer by the Association.

9.5. Certificate. Any Owner shall have the right to require from the Association a certificate showing the amount of unpaid assessments against him with respect to his Unit. The holder of a mortgage or other lien shall have the same right as to any Unit upon which it has a lien. Any person who relies upon such certificate shall be protected thereby.

ARTICLE X

10.5 Restraint upon Assignment of Shares and Assets. Each Owner's share in the funds and assets of the Association cannot and shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

10.6 Transfer of Control of Association.

a. Owners of Units other than the Developer will be entitled to elect members of the board of directors of the Association as follows:

1) The Owners of Units other than the Developer shall be entitled to elect a majority of the members of the board of directors not later than the earliest of (i) 60 days after conveyance of 75 percent of the Units which may be created to Unit Owners other than Developer; (ii) two years after Developer has ceased to offer Units for sale in the ordinary course of business; or (iii) two years after any development right to add new Units was last exercised. Developer may voluntarily surrender the right to appoint and remove officers and members of the board before termination of that period, but in that event he may require, for the duration of the period of Developer control, that specified actions of the Association or board of directors, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective.

2) Not later than 90 days after conveyance of 25 percent of the Units which may be created to Unit Owners other than Developer, at least one member and not less than 25 percent of the members of the board must be elected by Unit Owners other than the Developer. Not later than 90 days after conveyance of 50 percent of the Units which may be created to Unit Owners other than Developer, not less than 33 1/3 percent of the

members of the board must be elected by Unit Owners other than the Developer.

3) Nothing in this subparagraph shall be construed so as to preclude the Developer from relinquishing control of the board of directors at any time the Developer may so elect.

b. The Developer is entitled to elect at least one member of the board of Directors of the Association as long as the Developer holds for sale in the ordinary course of business at least 5 percent of the Units in the Condominium operated by the Association.

c. Following the time the Developer relinquishes control of the Association, the Developer may exercise the right to vote any Developer-owned Units in the same manner as any other Owner except for purposes of requiring control of the Association or selecting the majority members of the board of directors.

10.7 Availability of Documentation. The Association shall be required to make available to Owners, any Mortgagee and the holders and insurers of the first mortgage on any Unit, current copies of this Declaration, the Articles and Bylaws of the Association and other rules governing this Condominium and other books, records and financial statements of the Association. The Association also shall make available to prospective purchasers current copies of this Declaration, the Association Articles and Bylaws, other rules governing the Condominium and the most recent annual audited financial statement, if such is prepared. "Available" shall at least mean available for inspection upon request, during normal business hours or under other reasonable circumstances.

ARTICLE XI

INSURANCE

The insurance other than title insurance, if any, that shall be carried upon the Condominium Property shall be governed by the following provisions:

11.1. Authority to Purchase: Named Insured. All insurance policies upon the Condominium Property shall be purchased by the Association from a fiscally responsible company authorized to do business in the State of Alabama and shall have a minimum term of one year. In selecting an insurance carrier, the Association shall refer to and comply with the criteria set forth in the FNMA Conventional Home Mortgage Selling Contract Supplement and the FHLMC Sellers Guide for specific requirements regarding the qualifications of insurance carriers. The named insured shall be the Association individually and as agent for

the Owners, without naming them, and as agent for their Mortgagees. Such policies shall provide that payments by the insurer for losses shall be made to the Association or the Insurance Trustee designated below, and all policies and their endorsements shall be deposited with the Association or the Insurance Trustee. Such policies shall also include a "condominium endorsement" which shall provide for recognition on any insurance trust agreement, waiver of the right of subrogation against Owners individually, that the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively and that the policy is primary in the event the Owners have other insurance covering the same loss. Such policies shall also include, to the extent available and commonly required by prudent institutional mortgage investors in the area, an "Agreed Amount Endorsement", "Inflation Guard Endorsement" and/or "Demolition or Building Code Endorsement".

11.2. Personal Property of Owners. If desired, each Owner shall obtain insurance coverage upon his personal property at his own expense, and such insurance shall not be the responsibility of the Association.

11.3. Coverage.

a. Casualty. All buildings and improvements upon the Condominium Property shall be insured in an amount equal to one hundred percent (100%) of the current replacement cost, exclusive of land, foundation and excavation costs, and all other items normally excluded from coverage, and all personal property owned by the Association shall be insured for its current replacement cost, all as shall be determined from time to time by the board of directors of the Association. Coverage shall afford protection against:

(1) Loss or damage by fire and other hazards normally covered by a standard extended coverage endorsement;

(2) Such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the Condominium Property, including floods and all other perils normally covered by the standard "all risk" endorsement where such is available, including, but not limited to, vandalism and malicious mischief.

b. Public Liability. Public liability insurance shall be carried in such amounts and with such coverage as shall be required by the board of directors of the Association from time to time; provided, however, that such coverage shall in no event be in an amount less than One Million (\$1,000,000.00) per occurrence. Wherever and whenever it is possible and economically feasible to do so, the board of directors shall attempt to obtain adequate insurance protection in reasonably prudent coverages. Except as required herein, nothing in this Declaration shall be construed to require the board of directors to obtain such coverage as a condition precedent to the Association conducting business.

c. Worker's Compensation. Worker's compensation insurance shall be carried to the extent necessary to meet the requirements of law.

d. Such other insurance may be carried as the board of directors of the Association shall determine from time to time to be desirable.

11.4. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.

11.5. Insurance Trustee: Share of Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Owners and any Mortgagees as their interests may appear and shall provide that all proceeds covering property losses shall be paid to the Association or to a named Insurance Trustee (the "Insurance Trustee") if the board of directors shall so elect. All references to an Insurance Trustee herein shall apply to the Association if the board of directors elects not to appoint an Insurance Trustee. Any Insurance Trustee appointed by the board of directors shall be a commercial bank with trust powers authorized to do business in Alabama or another entity acceptable to the board of directors of the Association. The Insurance Trustee (other than the Association) shall not be liable for payment of premiums nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the proceeds in trust for the purposes stated herein for the benefit of the Owners and any Mortgagees in the following shares; provided, however, that such shares need not be set forth on the records of the Insurance Trustee:

a. Proceeds on Account of Damage to Common Elements. Proceeds on account of damage to Common Elements and shall be held in undivided shares for each Owner, such share being the same as the undivided share in the Common Elements appurtenant to each Unit.

b. Units. Proceeds on account of damage to Units when the building or Unit is not to be restored shall be held in undivided shares for each Owner of those Units or Unit, such share being the same as the undivided share in the Common Elements appurtenant to each Owner's interest.

c. Mortgagees. Such insurance policies shall contain the standard mortgage clause or equivalent endorsement (without contribution) which is commonly accepted by private institutional mortgage investors in the area in which the condominium is located and which appropriately names FNMA and FHLMC, if such corporations are Mortgagees. In the event a Mortgagee endorsement has been issued, any share for the Owner shall be held in trust for the Mortgagee and the Owner as their interests may appear; provided, however, that no Mortgagee shall have the right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired, and no

Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions of such proceeds made to the Owner and Mortgagee pursuant to the provisions of this Declaration. Notwithstanding the foregoing, the Mortgagee shall have the right to apply or have applied to the reduction of its mortgage debt any or all sums of insurance proceeds applicable to its mortgaged interest in any of the following events:

(1) When its mortgage is not in good standing and is in default; or

(2) When insurance proceeds are insufficient to restore or repair the Unit to the condition existing prior to the loss and additional monies are not available for such purpose.

11.6. Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners of such proceeds in the following manner:

a. All expenses of the Insurance Trustee shall be paid first or provisions made for such payment.

b. If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as provided herein. Any proceeds remaining after defraying such cost shall be distributed to the beneficial owners, remittances to Owners and any Mortgagees being payable jointly to them. This is a covenant for the benefit of, and may be enforced by, any Mortgagee.

c. If it is determined in the manner provided herein that the damage for which proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the beneficial owners, remittances to Owners and any Mortgagees being payable jointly to them. This is a covenant for the benefit of, and may be enforced by, any Mortgagee.

d. In making distribution to Owners and any Mortgagees, the Insurance Trustee may rely upon a certificate of the Association made by its president and secretary as to the names of the Owners and their respective shares of the distribution.

11.7. Association as Agent and Attorney-in-Fact. The Association is hereby irrevocably appointed agent and attorney-in-fact for each Owner to adjust all claims arising under the insurance policies purchased by the Association and to execute and deliver releases upon the payment of a claim.

11.8. Notice to Owners and Mortgagees. No insurance policy required by this Declaration may be canceled or substantially modified without at least ten (10) days' prior written notice to the Association and each Mortgagee holding a first mortgage and which is listed as a scheduled holder of a first mortgage in the policies. Certificates of insurance shall be issued to each Owner and Mortgagee upon written request therefor.

ARTICLE XII

RECONSTRUCTION OR REPAIR AFTER CASUALTY

12.1. Obligation to Reconstruct or Repair. If any part of the Condominium Property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

a. Common Elements. If the damaged improvement is a Common Element then the damaged property shall be reconstructed or repaired unless it is determined that the Condominium shall be terminated because of damage to Units as set forth in Article 11.1(b) below.

b. Units.

(1) Minor Damage. If the damage is to Units and if less than fifty percent (50%) of the Units are found by the board of directors of the Association to be untenable, the damaged property shall be reconstructed or repaired.

(2) Major Damage. If the damage is to Units and if fifty percent (50%) or more of the Units are found by the board of directors of the Association to be untenable, then the damaged property will be reconstructed or repaired unless within sixty (60) days after the casualty, the holders of ninety percent (90%) of all of the votes of the Association agree in writing to not reconstruct or repair and to terminate the Condominium. Any election to terminate the Condominium after substantial destruction or a substantial taking in condemnation of the Condominium Property must have the prior approval of the Mortgagees holding first mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by Mortgagees are allocated.

c. Certificate. The Insurance Trustee may rely upon a certificate of the Association made by its president and attested by its secretary as to whether or not the damaged property is to be reconstructed or repaired.

12.2. Plans and Specifications. Any reconstruction or repairs must be substantially in accordance with the plans and specifications for the damaged property as

originally constituted or, in lieu thereof, according to the plans and specifications approved by the board of directors of the Association. Any restoration or repair of the Condominium after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with this Declaration and the original Condominium plans and specifications unless the approval of the Mortgagees holding first mortgages on Units to which at least 51% of the votes of Units subject to mortgages held by such Mortgagees are allocated is obtained.

12.3. Estimates of Cost. Prior to rebuilding or repairing damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

12.4. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association or if at any time during reconstruction and repair or upon completion of reconstruction and repair the funds from insurance for the payment of the costs of reconstruction and repair are insufficient, special assessments shall be made against all Owners in sufficient amounts to provide funds for the payment of such costs. Such special assessments shall be in proportion to the Owners' respective obligations for Common Expenses.

12.5. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty, which shall consist of proceeds of insurance held by the Association or the Insurance Trustee and funds collected by the Association through assessments against Owners, shall be disbursed in payment of such costs in the following manner

a. Association. If the total of assessments made by the Association in order to provide funds for the payment of costs of reconstruction and repair that are the responsibility of the Association is more than Fifty Thousand Dollars (\$50,000.00), then the sums paid upon such assessments shall be deposited by the Association with the Insurance Trustee (if other than the Association). In all other cases the Association shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

b. Insurance Trustee. The proceeds of insurance collected on account of casualty and the sums deposited with the Insurance Trustee by the Association from collections of assessments against Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(1) Association: Minor Damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is less than Fifty Thousand Dollars (\$50,000.00), then the construction fund shall be disbursed in payment of such costs upon the order of the board of directors of the Association; provided however, that upon request by a Mortgagee that is a beneficiary of an insurance policy, the

proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided for the reconstruction and repair of major damage.

(2) Association: Major Damage. If the amount of the estimated costs of reconstruction and repair that are the responsibility of the Association is more than Fifty Thousand Dollars (\$50,000.00), then the construction fund shall be applied by the Insurance Trustee to the payment of such costs and shall be paid to or for the account of the Association from time to time as the work progresses but not more frequently than once in any calendar month. The Insurance Trustee shall make payments upon the written request of the Association for withdrawal of insurance proceeds, accompanied by a certificate dated not more than fifteen (15) days prior to such request, signed by an officer of the Association and by an architect in charge of the work, who shall be selected by the Association, setting forth that the sum then requested either has been paid by the Association or is justly due to contractors, subcontractors, materialmen, architects or other persons who have rendered services or furnished materials in connection with the work, giving a brief description of the services and materials and any amounts paid prior to the request, and stating that the sum requested does not exceed the value of the services and material described in the certificate; that, except for the amount stated in such certificate to be due as aforesaid, there is no outstanding indebtedness known to the person signing such certificate after due inquiry which might become the basis of a vendor's, mechanic's, materialmen's or similar lien upon such work against the Common Elements or any Unit; and that the cost as estimated by the person signing such certificate of the work remaining to be done subsequent to the date of such certificate does not exceed the amount of insurance proceeds or other funds remaining in the hands of the Insurance Trustee after the payment of the sum so requested.

(3) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund; except, however, that only those portions of distribution to the beneficial owners in excess of assessments paid by an Owner to the construction fund shall be made payable to any Mortgagee.

(4) Certificate. Notwithstanding the provisions of this instrument, the Insurance Trustee shall not be required to determine whether sums paid by the Owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine the payee nor the amount to be paid. Instead, the Insurance Trustee may rely upon a Certificate of the Association made by its president and secretary as to any or all of such matters and stating that the sums to be paid are due and property payable and stating the name of the payee and the amount to be paid; provided, that when a Mortgagee is required in this instrument to be named payee, the

Insurance Trustee shall also name the Mortgagee as a payee of any distribution of insurance proceeds to an Owner; and further provided, that when the Association or a Mortgagee that is the beneficiary of an insurance policy whose proceeds are included in the construction fund so requires, the approval of an architect named by the Association shall be first obtained by the Association prior to disbursements in payment of costs of reconstruction and repair.

12.6. Eminent Domain. The Association is hereby empowered to defend and/or settle any action or threatened action with respect to the taking in condemnation of any portion of the Common Elements or any Unit or portion of any Unit. Upon obtaining knowledge of such action or threatened action, the Association shall notify all affected Mortgagees of record of same.

a. Common Elements. Any award or settlement made as a result of such a taking of all or a portion of the Common Elements shall be made payable to the Association. Any such award or settlement shall be held in trust by the Association for the benefit of the Owners and Mortgagees holding a first mortgage as their interests may appear. In the event any repair or restoration of the Common Elements is necessary in the opinion of a majority of the board of directors of the Association on account of such taking, or in the event a majority of the voting interests at a duly called and constituted meeting of the Association promptly approve such restoration or repair, the board of directors shall arrange for same and shall disburse such of the proceeds of such award or settlement as shall reasonably be necessary to effect such restoration or repair to the contractors engaged for such purpose in appropriate progress payments. The balance of such proceeds, or all of such proceeds if no determination to repair or restore is made, shall be disbursed by the Association in the same manner as insurance proceeds under Section 10.6 above where there is no repair or restoration of the damage.

b. Units. Any award or settlement for the taking in condemnation of a Unit shall be made payable to the Association for the benefit of the Owners thereof. In the event any repair or restoration of the Unit is necessary in the event a majority of the voting interests appurtenant to that Unit at a duly called and constituted meeting of the Association promptly approve such restoration or repair, the board of directors shall arrange for same and shall disburse such of the proceeds of such award or settlement as shall reasonably be necessary to effect such restoration or repair to the contractors engaged for such purpose in appropriate progress payments. The balance of such proceeds, or all of such proceeds if no determination to repair or restore is made, shall be disbursed by the Association as to the Owners of that Unit in the same manner as insurance proceeds under Section 10.6 above. If a temporary taking in condemnation of use (but not title) of a Unit occurs, the entire award or settlement for such temporary taking shall be paid to the Association for the benefit of the Owners of such Unit.

12.7. Notice to Mortgagees. Any Mortgagee, upon written request to the Association (such request to state the name and address of such Mortgagee and the Unit

number at issue), will be entitled to timely written notice of any condemnation loss or any casualty loss which affects a material portion of the Condominium or which affects any Unit on which there is a first mortgage held, insured or guaranteed by such Mortgagee.

12.8. Consent Required for Reallocation of Interests in Common Elements. No reallocation of interests in the Common Elements resulting from a partial condemnation or partial destruction of the Condominium may be effected without the approval of the Mortgagees holding first mortgages on Units to which at least 51% of the votes of Units subject to mortgages held by such Mortgagees are allocated.

ARTICLE XIII

USE RESTRICTIONS

The use of the Condominium Property shall be in accordance with the following provisions as long as the Condominium exists:

13.1. Subdivision of Units. Except as provided in Article 6.1, *supra*, no Unit may be divided or subdivided into a smaller Unit.

13.2. Common Elements. The Common Elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the personal use of the Owners, their guests and lessees and other authorized occupants of Units.

13.3. Nuisance. No nuisance by a Condominium Owner, guest or pet belonging to a Condominium Owner of guest shall be allowed upon the Condominium Property or within a Unit, nor any use or practice that is the source of annoyance to Owners or which interferes with the peaceful possession and proper use of the Condominium Property by the Owners. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist. No Owner shall permit any use of a Unit or make or permit any use of the Common Elements that will increase the cost of insurance upon the Condominium Property.

13.4. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or a Unit, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies for maintenance, modification or repair of the Condominium Property or a Unit shall be the same as the responsibility for the maintenance and repair of the property concerned.

13.5. Signs. No "For Sale" or "For Rent" signs or other displays or advertising shall be maintained on any part of the Common Elements or Units except that the right is specifically reserved to the Developer (and entities affiliated with the Developer or employed by the Developer to market the Units), in its sole discretion, to place and maintain "For Sale" or "For Rent" signs on the Condominium Property.

13.6. Bicycles and Motorcycles. Bicycles and motorcycles shall not be stored on the Condominium Property except in such areas as are designated for this purpose, if any such areas are designated. If no such areas are designated, bicycles and motorcycles shall be stored in a reasonable manner.

13.7 Condominium Rules and Regulations. Reasonable rules and regulations concerning the use of Condominium Property may be promulgated and amended from time to time by the board of directors of the Association in the manner provided by its Articles of Incorporation and Bylaws. A copy of the present Condominium Rules and Regulations is attached hereto as Exhibit "F".

13.8. Developer's Use. The Developer, its agents or an entity affiliated with the Developer may make such use of the Common Elements and the Units as may facilitate the sale or rental of Units, including, but not limited to, showing of the property, maintaining a sales office within a Unit, maintaining a model Unit, and the display of signs and other promotional devices.

13.9 Antennas. No antennas of any type designed to serve a Unit shall be allowed on the Common Elements except as may be provided by the Association to serve as a master antenna for the benefit and use of the Condominium. No electrical or other equipment may be operated on the Condominium Property which interferes with broadcast or cable television signal reception.

ARTICLE XIV

ALIENABILITY OF UNITS

14.1. No Alienability Restrictions. The right of an Owner to sell, transfer, assign or hypothecate his Unit shall not be subject to the approval of the Association. Accordingly, a proper transfer or conveyance of such Unit shall not require the written approval of the Association.

14.2. Leasing and Rental Restrictions. Owners may lease or rent their Units in whole or in part for non-transient occupancy and no approval by the Association shall be necessary therefor. Owners shall be specifically permitted to rent portions of Units, it being

the intention of Developer to permit the Owner to rent individual bedrooms within a Unit to separate and unrelated persons. However, all lessees, as well as guests of Owners, shall be required to abide by the terms and conditions of this Declaration, as well as all Rules and Regulations adopted by the board of directors of the Association from time to time. Owners are prohibited from leasing Units or portions thereof for an initial term of less than thirty (30) days.

ARTICLE XV

COMPLIANCE AND DEFAULT

15.1. Compliance and Default. Each Owner shall be governed by and shall comply with the terms of the Condominium Documents and the Condominium Rules and Regulations adopted pursuant to those documents and as they may be amended from time to time. Failure of an Owner to comply with the provisions of such documents and regulations shall entitle the Association or other Owners to pursue any and all legal and equitable remedies for the enforcement of such provisions, including, but not limited to, an action for damages, an action for injunctive relief or an action for declaratory judgment. Failure of the Association to comply with the provisions of the Condominium Documents and the Condominium Rules and Regulations adopted pursuant to those documents and as they may be amended from time to time shall entitle the Owners to pursue any and all legal and equitable remedies for the enforcement of such provisions, including, but not limited to, an action for damages, an action for injunctive relief or an action for declaratory judgment. All provisions of this Declaration shall be enforceable equitable servitudes and shall run with the land and shall be effective until the Condominium is terminated.

15.2. Costs and Attorneys' Fees. In any proceeding arising because of an alleged failure of an Owner or the Association to comply with the terms of the Condominium Documents or the Condominium Rules and Regulations adopted pursuant to them as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and recover such reasonable attorney fees as may be awarded by the Court, including all appeals and all proceedings in bankruptcy.

15.3. No Waiver of Rights. The failure of the Association or any Owner to enforce any covenant, restriction or other provision of Title 35, Chapter 8A, Ala. Code (1975), the Condominium Documents or the Condominium Rules and Regulations shall not constitute a waiver of the right to do so thereafter.

15.4. Injunctive Relief. The Association may seek an injunction from a court of equity to compel or prohibit compliance or violation of the Condominium Documents

regardless of whether an adequate remedy at law exists.

15.5. Governing Law: Waiver of Jury Trial: Venue of Actions. This Declaration shall be governed by, and shall be construed in accordance with, the laws of the State of Alabama, as the same may exist on the date of recording hereof. The Association, an Owner or Owners, the Developer and any other party claiming rights or obligations by, through or under this Declaration, or two or more of the foregoing, each hereby waive any right they may have under any applicable law to a trial by jury with respect to any suit or legal action which may be commenced by or against the others concerning the interpretation, construction, validity, enforcement or performance of this Declaration or any other agreement or instrument executed in connection with this Declaration. In the event any such suit or legal action is commenced by any party, the other parties hereby agree, consent and submit to the personal jurisdiction of the circuit court for the county in which the Condominium is situated, with respect to such suit or legal action, and each party also hereby consents and submits to and agrees that venue in any such suit or legal action is proper in said court and county, and each party hereby waives any and all personal rights under applicable law or in equity to object to the subject matter or personal jurisdiction and venue in said court and county. Such jurisdiction and venue shall be exclusive of any other jurisdiction and venue.

ARTICLE XVI

AMENDMENTS

16.1. By Owners. Except as otherwise provided herein, this Declaration may be amended in the following manner:

a. Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting of the Association at which a proposed amendment is to be considered.

b. Resolution. A resolution for the adoption of a proposed amendment shall be included in the notice of any meeting of the Association at which a proposed amendment is to be considered.

c. Adoption. A resolution amending the Declaration shall be adopted in the following manner:

(1) Board of Directors. Until the first election of a majority of the directors of the Association by Owners other than the Developer, proposal of any amendment and approval thereof shall require only the affirmative action of two-thirds (2/3) of the entire membership of the board of directors of the Association, and no meeting of the Owners nor any approval thereof need be had. However, no amendment may, unless

specifically approved as provided in Section 15.1(c)(2) or below:

- (a) change the configuration, boundaries or size of any Unit in any material fashion;
- (b) materially alter or modify the appurtenances to the Unit, including voting rights, rights to use Common Elements, interests in Common Elements or the leasing of Units;

(2) Board of Directors and Owners. In addition to the procedure set forth above and after the first election of a majority of the directors of the Association by Owners other than the Developer, a resolution for the adoption of a proposed amendment may be proposed by the board of directors of the Association or by the Owners. Owners may propose such an amendment by instrument in writing directed to the president or secretary of the board signed by not less than holders of thirty-three percent (33%) of all of

the votes of the Association. Amendments may be proposed by the board of directors by action of a majority of the board at any regularly constituted meeting thereof. Upon an amendment being proposed as herein provided, the president or, in the event of his refusal or failure to act, the board of directors, shall call a meeting of the Owners to be held not sooner than fifteen (15) days nor later than sixty (60) days thereafter for the purpose of considering said amendment. Directors and Owners not present at the meeting considering the amendment may express their approval in writing, provided such approval is delivered to the secretary at or prior to the meeting. Except as provided herein, such approvals must be by:

(a) not less than sixty-seven percent (67%) of the entire membership of the board of directors and not less than sixty-seven percent (67%) of the votes of the Association; or

(b) an agreement signed and acknowledged by all Owners in the manner required for the execution of a deed; and

(3) Any amendment listed under Section 15.1 (c)(1) requires the consent of those Mortgagees providing notice to the Association under Section 15.3 below. Any amendment which would adversely affect Mortgagees must have the prior written consent of Mortgagees holding a first mortgage on Units to which at least fifty-one percent (51 %) of the votes of the Association appertain and the prior written consent of Owners representing not less than sixty-seven percent (67%) of all of the votes of the Association.

d. Execution and Recording. Each amendment shall be attached to or shall contain a certificate certifying that the amendment was duly adopted, and the certificate shall be executed by the president of the Association and attested by the secretary with the formalities of a deed, and said amendment shall be effective upon recordation of the amendment and certificate in the Office of the Judge of Probate of Lee County, Alabama.

16.2. By the Developer. The Developer reserves the right at any time, so long as it owns any of the Units in the Condominium, to unilaterally amend this Declaration as it may deem appropriate, in its sole discretion, to carry out the purposes of the project, or as may be required by any lending institution, FHA, VA, FHLMC, FNMA, title insurance company or public body or as may be necessary to conform the same to the requirements of law or to facilitate the operation and management of the Condominium or the sale of Units in an FHA/VA approved condominium. Any amendments to this Declaration which may be unilaterally made by the Developer shall become effective upon the recording in the Office of the Judge of Probate of Lee County, Alabama, of an instrument executed solely by the Developer, setting forth the text of such amendment in full, together with the appropriate recording data of this Declaration.

No amendment to this Declaration unilaterally made by the Developer shall be permitted if such amendment would: (i) change the configuration, boundaries or size

The termination of any claim, action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(c) To the extent that a Director, officer, employee, or agent of the Association has been successful on the merits or otherwise in the defense of any action, suit, or proceeding referred to in Paragraphs 11(a) and (b) above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, notwithstanding that he has not been successful on any other claim, issue, or matter in any such action, suit or proceeding.

(d) Any indemnification under Paragraphs 11(a) and (b) above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee, or agent is proper in the circumstances because

he has met the applicable standard of conduct set forth in Paragraphs 11(a) and (b) above. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to, or who have been wholly successful on the merits or otherwise with respect to such claim, action, suit, or proceeding, or (2) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or (3) by a majority vote of the members of the Association.

(e) Expenses (including attorneys' fees) incurred in defending a civil or criminal claim, action, suit, or proceeding may be paid by the Association in advance of the final disposition of such claim, action, suit, or proceeding as authorized in the manner provided in Paragraph 11(d) above upon receipt of an undertaking by or on behalf of the Director, officer, employee, or agent to repay such amount if and to the extent that it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized in this Paragraph 11.

(f) The indemnification authorized by this Paragraph 11 shall not be deemed exclusive of and shall be in addition to any other right to which those indemnified may be entitled under any statute, rule of law, provisions of these Articles of Incorporation, Bylaw, agreement, vote of members or disinterested Directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(g) The Association shall have power to purchase and maintain insurance in behalf of any person who is or was a Director, officer, employee, or agent of the Association, or is or was serving at

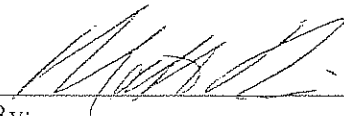

the request of the Association as a Director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Paragraph 11.

12. AMENDMENT. These Articles may be amended, subject to the terms and conditions of the Declaration, by the affirmative vote of at least two-thirds (2/3) of the total votes in the Association (i.e., two-thirds (2/3) of all Owners).

13. INCORPORATION BY REFERENCE. All of the terms, provisions, definitions, covenants, and conditions set forth in the Declaration are hereby expressly incorporated herein by reference as if fully set forth herein. In the event of any conflict or ambiguity between the terms, provisions definitions, covenants, and conditions set forth herein and the Declaration, then the provisions of the Declaration shall at all times control.

In addition, a notice of the meeting shall be posted at a conspicuous place on the Condominium Property or

Association Property, which location shall be duly adopted by rule by the Board, upon notice to the Unit Owners, at least for fourteen (14) continuous days prior to said meeting; however, if there is no Condominium Property or Association Property upon which notices can be posted, this requirement does not apply. Members may waive notice of specific meetings and may take action by written agreement without meetings. As provided in the Declaration, Mortgagees, as that term is defined in the Declaration, shall, upon prior written request, be entitled to receive notice of all members meetings. Failure to provide such notice shall not invalidate any action taken at an otherwise properly noticed meeting. Where assessments against members are to be considered for any reason at a members meeting, the notice shall contain a statement that assessments will be considered and shall specify the nature of any such assessment.

4. The presence in person or by proxy of members representing a majority of the total voting interests eligible to vote shall constitute a quorum, and decisions shall be made by the vote of a majority of the members at a meeting at which a quorum is present.

5. Each Unit shall be entitled to one (1) vote, which vote is not divisible, the numerical value of which shall be the percentage (rounded to four decimal points) of undivided interest in the Common Elements assigned to the Unit of which the Member is the Owner with the total number of votes being 184. The vote for a Unit shall be cast by the Owner thereof in the manner provided for herein and in the By-Laws. However, should the Association be a Unit Owner, it shall not have the voting right for that Unit.

6. Votes may be cast in person or by proxy in accordance with and as permitted by applicable law. Any proxy given shall be effective only for the specific meeting for which originally given and any lawfully adjourned meetings thereof and must be filed with the secretary at or before the appointed time of the meeting. Each proxy shall specifically set forth the name of the person voting by proxy, the name of the person authorized to vote the proxy for him, and the date the proxy was given. Each proxy shall contain the date, time and place of the meeting for which the proxy is given, and if a limited proxy, set forth those items which the holder of the proxy may vote and the manner in which the vote is cast. In no event shall any proxy be valid for a period of longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the member executing it. If a proxy expressly provides, any proxy holder may appoint, in writing, a substitute to act in his place. If such provision is not made, substitution is not authorized.

7. Approval or disapproval of a member upon any matter, whether or not the subject of an Association meeting, shall be by the same person, corporation or other entity who would cast the vote of such member if in an Association meeting.

8. If any meeting of members cannot be organized because a quorum has not been achieved, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

9. The order of business at annual members meetings and, as far as practicable at all other members meetings, shall be:

- A. Assessment of the Developer as the Owner of Units for capital improvements; and,
- B. Any action by the Association that would be detrimental to the sale of Units by the Developer.

III. DIRECTORS

1. The affairs of the Association shall be managed by a board of directors who shall be members of the Association, excepting that the first board of directors and their successors appointed by the remaining directors (in the event of vacancies occurring before the first election of a majority of directors by members) need not be members. The initial board of directors shall consist of three (3) directors, and thereafter the membership of the board shall consist of not less than three (3) nor more than seven (7) directors. Within these limits, the board of directors may from time to time increase or decrease the number of persons to serve on the board, except that the board shall always contain an odd number of members. Where units are owned by corporations, the officers, directors, employees or other appointed representatives of

said corporations shall be eligible to serve on the board of directors of the Association on behalf of the corporation.

2. Election of directors shall be conducted in the following manner:

A. Members of the board of directors shall be elected by written ballot or voting machine. Proxies shall in no event be used in elections to fill vacancies caused by recall, resignation, or otherwise, unless specifically allowed by statute. Not less than 60 days before a scheduled election, the Association shall mail or deliver, whether by separate association mailing or included in another association mailing or delivery including regularly published newsletters, to each unit owner entitled to vote, a first notice of the date of the election. Any Unit Owner or other eligible person may nominate himself or may nominate another unit owner or eligible person. Any Unit Owner or other eligible person desiring to be a candidate for the board of directors must give written notice to the Association not less than 40 days before a scheduled election. Prior to the election, the Association shall mail or deliver a second notice of the election to all Unit Owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8 ½ inches by 11 inches, which must be furnished by the candidate not less than 35 days before the election, to be included with the mailing of the ballot, with costs of mailing and copying to be borne by the Association. However, the Association shall have no liability for the contents of the information sheets prepared by the candidates. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least 20% of the eligible voters must cast a ballot in order to have a valid election of members of the board of directors.

B. Vacancies on the board of directors may be filled by majority of the remaining directors, even though a quorum may not exist, subject to the provisions of Paragraph 2(C) of this Article. A director appointed to fill a vacancy in office shall serve the remainder of the term of the office to which he is appointed.

C. The directors named in the Articles of Incorporation shall serve until the first election of directors, and any vacancies in office occurring before the first election shall be filled by the remaining directors. In the event there are no remaining directors then any such vacancies shall be filled by the Developer. Owners of Units other than the Developer will be entitled to elect members of the board of directors as follows:

1) The Owners of Units other than the Developer shall be entitled to elect a majority of the members of the board of directors not later than the earliest of (i) 60 days after conveyance of 75 percent of the Units which may be created to Unit Owners other than Developer; (ii) two years after Developer has ceased to offer Units for sale in the ordinary course of business; or (iii) two years after any development right to add new Units was last exercised. Developer may voluntarily surrender the right to appoint and remove officers and members of the board before termination of that period, but in that event he may require, for the duration of the period of Developer control, that specified actions of the Association or board of directors, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective.

2) Not later than 90 days after conveyance of 25 percent of the Units which may be created to Unit Owners other than Developer, at least one member and not less than 25 percent of the members of the board must be elected by Unit Owners other than the Developer. Not later than 90 days after conveyance of 50 percent of the Units which may be created to Unit Owners other than Developer, not less than 33 1/3 percent of the members of the board must be elected by Unit Owners other than the Developer.

3) Unit Owners, by a two-thirds vote of all persons present in person and entitled to vote at any meeting of the Unit Owners at which a quorum in person is present, may remove any member of the board with or without cause, other than a member appointed by the Developer.

4) As to the election of directors pursuant to Subparagraphs (1), (2) and (3) above, within seventy-five (75) days after Owners other than the Developer are entitled to elect a member or members of the board of directors of the Association, the Association shall call and give not less than sixty (60) days notice of an election for the members of the board. The election shall proceed pursuant to Article III, Section 2, above.

5) Nothing in this subparagraph shall be construed so as to preclude the Developer from relinquishing control of the board of directors at any time the Developer may so elect.

3. Members of the board of directors who are elected by Owners other than the Developer at the annual meeting of members shall serve for one (1) year until the next annual meeting of the members and thereafter, unless and until his successor is duly elected or qualified or until he is removed in the manner elsewhere provided.

4. The organizational meeting of a newly elected board of directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the directors at the meeting at which they were elected or at a time and place so announced at said meeting. Notice of the organizational meeting shall be given in the same manner as set forth in Article III, section 5 below.

5. Regular meetings of the board of directors may be held at such time and place as shall be determined from time to time by a majority of the directors. Notice of regular meetings shall be given to each director, personally or by mail, telephone or telegraph at least three (3) days prior to the date named for such meeting unless such notice is waived. Notice of all meetings of the board shall be posted in a conspicuous place on the Condominium Property for the benefit of members at least forty-eight (48) continuous hours in advance of such meeting, except in an emergency. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the board. Such emergency action shall be noticed and ratified at the next regular meeting of the board. Upon notice to the Unit Owners, the board shall be duly adopted rule designate a specific location on the Condominium Property or Association Property upon which all notices of board meetings shall be posted. If there is no Condominium Property or Association Property upon which notices can be posted, notices of board meetings shall be mailed or delivered at least 14 days before the meeting to the Owner of each Unit. All meetings of the board of directors shall be open to all Unit Owners, who shall

have the right to speak with reference to all designated agenda items subject to reasonable rules governing the frequency, duration, and manner of Unit Owner statements.

6. Special meetings of the directors may be called by the president and must be called by the secretary at the written request of one-third (1/3) of the votes of the board. Not less than three (3) days notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting.

7. Any director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice. Any directors attendance at a meeting shall constitute a waiver of the notice of that meeting.

8. A quorum at directors meetings shall consist of the directors entitled to cast a majority of the votes of the entire board. The acts of the board approved by a majority of votes present shall constitute the acts of the board of directors except as specifically otherwise provided in the Declaration. If at any meeting of the board of directors there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At the adjourned meeting any business which might have been transacted at the meeting as originally called may be transacted without further notice.

9. The presiding officer at board of directors meetings shall be the president of the Association. In the absence of the president the vice-president shall preside;

10. Directors fees, if any, shall be determined by the members of the Association, and no director shall receive a fee prior to the election of a majority of the members of the board of directors by Owners other than the Developer.

11. Owner directors may be removed from the board of directors pursuant to Section III.2.C.(3).

12. Anything to the contrary contained herein notwithstanding, any director who is appointed by the Developer may be removed by the Developer at any time. Upon such removal, the Developer shall immediately appoint a replacement director and notify the remaining directors, if any, of such removal and appointment.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association shall be exercised by the board of directors including those existing under the common law, statutes, the Articles and the Condominium Documents. Notwithstanding any provisions contained in these Bylaws to the contrary, it is the intent of these Bylaws that the ability of the board of directors of the Association to independently terminate a contract for the management of the Condominium without a vote of the Owners shall be governed solely by the terms and conditions of said management contract.

The board of directors is specifically empowered, on behalf of the Association, to make and collect assessments and to lease, maintain, repair and replace the Common Elements of the Condominium. Funds for the payment of Common Expenses shall be assessed against the members in the proportions of percentages of sharing Common Expenses, as provided in the Declaration. Assessments for Units shall become due as determined by the board of directors from time to time, and shall be considered delinquent if payment has not been received on or before the fifteenth day after the due date, unless otherwise ordered by the board of directors. Special assessments, should such be required by the board of directors, shall be levied in the same manner as provided for regular assessments, and shall be payable in the manner determined by the board of directors. If a member shall be in default in the payment of any assessment due on his Unit, the Association shall have all collection rights available to it under Alabama law and the Declaration. If an adopted budget required assessment against the members in any fiscal or calendar year in excess of 115% of the assessments for the preceding year, the board of directors, upon written application of 10% of the voting interests of the Association to the board of directors, shall call a special meeting of the members of the Association within thirty (30) days, upon not less than ten (10) days written notice to each member of the Association. At the special meeting, members shall consider and enact a budget. The adoption of the budget at such a special meeting shall require a vote of a majority of all voting interests. The board of directors may propose a budget which exceeds 115% of the assessments for the preceding year to the members at a meeting of the members or in writing, and if the budget or proposed budget is approved at the meeting or by a majority of all voting interests in writing, the budget shall be adopted. If a meeting of the Unit Owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit Owners, the budget adopted by the board of directors shall go into effect as scheduled. Except as otherwise provided herein, a resolution adopting a proposed amendment must receive approval of not less than two-thirds (2/3rds) of all the directors until the first election of a majority of directors by Owners other than the Developer. Thereafter, the Bylaws may be amended by not less than two-thirds (2/3rds) of all the directors and by not less than a three-fourths (3/4ths) vote of the members of the Association at a duly called meeting of the Association. Directors and members not present at the meeting considering the amendment may express their approval in writing within ten (10) days after such meeting.

3. At any time prior to the first election of a majority of directors by Owners other than the Developer, these Bylaws may be amended by the Developer, if necessary, to make the same consistent with the provisions of the Declaration, to meet the requirements of any governmental entity or statute, FHA or VA rules, regulations or policies, and as may be in the best interests of the Association. No bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing bylaws shall contain the full text of the bylaws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through the hyphens. However, if the proposed change is so extensive that this procedure would hinder rather than assist the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language "Substantial rewording of Bylaw. See Bylaw... for present text." Nonmaterial errors or omissions in the bylaw amendment process shall not invalidate an otherwise properly promulgated amendment.

4. Any amendments to these Bylaws shall be in accord with the terms and provisions of the Declaration which sets forth certain additional voting and approval requirements with respect to certain types of amendments.

IX. SEVERABILITY AND CONFORMITY TO STATE LAW

These Bylaws are to be governed by and construed according to the laws of the
